COMMUNITY SERVICE CREDIT (FREE with active membership!)

Any student who wishes to gain a credit on their transcript for completing community service can do so through Key Club. There are several rules about this. If you are interested in this, please see Mr. Gould as soon as possible. This credit looks very good on collegiate and scholarship applications. It is also a permanent record of good citizenship.

1. Student must complete the paperwork with their advisor and return it to their counselor by October 1st. The student must have a record of completing sixty hours of community service from the time that the application is returned until the end of the reported school year (March). The student must then bring their recorded hours of service to their counselor and complete the rest of the paperwork with their advisor.
2. It is expected that when you sign up to be a part of Key Club that you complete the sixty hours of service, as it is a requirement of active status in the club. Without it, you cannot run for office any of the following years.

Other Planned Extracurricular Activities for the school year:

I have read and agree to abide by all Centennial High School Key Club requirements listed on the information sheet. Furthermore, I understand that I may be suspended or removed from Key Club for failure to meet those requirements.

KEY CLUB INFORMATION SHEET

Membership Requirements:

1. The application, medical authorization form, and dues are to be turned in at the same time. The dues are *non-refundable* for all accepted members.
2. All Key Club applicants must have a GPA of 2.0 or better to be in the club. Any student whose GPA falls below the guideline will be on probation until the grades improve, which means no voting during meetings and limited abilities for trips, etc. Grades and Dean's office checks will be done on a quarterly basis.
3. Everyone whose application is accepted will be expected to begin attending all weekly meetings. **Only exception:** If you are in a sport or another extracurricular activity held on the same day then you may attend only or at least one meeting per month; however, you have to be active in the club.
4. No person is officially in Key Club until he/she has the minimum quarterly hours.
5. Members are expected to participate in all fundraisers. The money raised will be reserved for events throughout the year, charities, the Key Club District Convention, Fall Rally, and more.
6. Members should learn all Key Club cheers. Our division is known for spirit, so let's keep it!

Quarterly Requirements:

1. Every member must accumulate the minimum amount of hours each quarter: **15 hours per quarter**. At least **half** of the hours from every quarter need to be Key Club related.
2. All members must reapply yearly. Members in good standing will be given priority for the next year.
3. Hour sheets are YOUR responsibility. They will be given out monthly and it is your responsibility to keep track of them. Keep in mind that a signature from the supervising individual of an event is required. One should be completed and turned in on a monthly basis. They will be checked.
4. A member will be deducted **one hour** if he/she does not attend an event after signing-up to do it. Giving your word and saying you will attend an event and not showing up is unacceptable. This is not fair to your club.

Consequences for not attending meetings:

1. Warning that hours have not been turned in.
2. Probation if problem continues (probation last for four meetings).
3. After two months of non-attendance, the member will be subject to termination from the club and cannot reapply the following year. He or she will not be eligible for scholarships or awards which would come from Key Club or any part of the K Family.
